

### **Note from the Editor**

WAGGA 2004 was the “**28<sup>th</sup> Annual Condensed Matter And Materials Meeting**” in the WAGGA series, held at Charles Sturt University, 3 – 6 February 2004, Wagga Wagga, NSW, Australia. The conference attracted 143 registered delegates including overseas visitors from Israel, Germany, Pakistan, Japan and New Zealand.

The technical program consisted of 6 invited papers and 95 contributing papers for oral (24) and poster (71) presentations in a total of 12 sessions during two and half days of the conference. This program together with the abstracts and list of participants can be found in the Conference Book of Abstracts.

Delegates were invited to submit a three-page manuscript for publication in the conference proceedings. Thirty two (32) manuscripts were submitted for peer-review, and thirty (30) of these were accepted for electronic publication on the website of the Australian Institute of Physics.
